Table S1. Number of days of trapping squirrels in seasons and months in two study sites: urban park and urban forest.

Season	Month	Number of days of trapping squirrels	
		Park	Forest
Spring	March	12	15
	May	16	12
Summer	July	12	12
	September	12	12
Autumn	November	16	13
	January	36	12
Winter			
Total		104	76
